

Join us...

for a Tribal webinar hosted by the Partnership for Air Matters, with the Tribal Healthy Homes Network, the WA State Department of Health, Environmental Protection Agency, Center for Disease Control and Indian Health Service.

Thursday

April 9, 2020

10am – 11:45am

Pacific Standard Time

COVID-19 WEBINAR

Safe and Proper use of Disinfectants & Household Cleaners

AN EXPERT PANEL ON SEPARATING FACT FROM FICTION.

- 45 minutes of presentations by an expert panel
- 30 minutes of federal agency experts referencing their current SARS-CoV-2 guidance on cleaning and disinfecting
- 30 minutes of audience Q & A

AIM: Reduce transmission of SARS-CoV-2 in indoor environments by raising awareness of safe and proper use of cleaners, sanitizers and disinfectants.

TARGET AUDIENCE: Public health and community health professionals in tribal communities, including, environmental health and air quality professionals, and health care providers. This webinar is for tribal audiences, however it is beneficial and open to all communities impacted by COVID-19.
